### Summary:

This is a live action, colour, English language VHS video cassette. This is a Canadian film that is marketed for an American audience. The film is very grainy and the sound is of poor quality. The plot is confusing and difficult to follow. The poor sound quality is partly to blame for this. There is virtually no character development. The back of the sleeve says "In 1959, a gifted Russian girl is enrolled in a KGB school for espionage agents. After training she is seeded into a North American family. 17 years of silence follow, until suddenly the KGB gives her an assignment and the struggle between Russian past and American present begins." The protagonist, Anna Quill, is played by Carol Poirier.

The film begins with a woman sleeping and having a dream. In the dream she (Anna Quill) is shown as a young girl carrying a teddy-bear and enrolled in a KGB school in Russia. She is then shown as an adult in a library in Toronto where she is a librarian. In the next scene she is in a psychiatrist's office. Anna discusses her parents who apparently died in hotel fire in London England years ago. On the way home she is kidnapped by a Russian agent by the name of Alexi, who is the head of security in the Russian embassy. He tells her that she is a Russian "sleeper agent" and now has to work for the Russians. Her code name is Ladybear. Apparently these facts were hidden in her subconscious mind before she left

Russia seventeen years ago. She goes home and shortly thereafter a Canadian RCMP officer named Michael visits her. Michael and her are then shown in a boat on a lake. They go back to Anna's place for dinner. When Michael suggests that they go to the bedroom she declines. The next day she is shown in the Russian embassy where she is given an assignment – she is to seduce a man and obtain information from him. The assignment is canceled however. She then meets the Russian Ambassador who tells Anna that her mother is still alive and that he will arrange for Anna to meet her if she has sex with him. She apparently has sex with ambassador but this is not shown. Later Anna is shown in the ambassador's office. A woman is led in who is supposed to be Anna's mother. When it is revealed that she is not her mother Anna stabs the ambassador with a letter opener and flees and is pursued by Russian security. She escapes in a car along with Alexi and her "mother". The Russian fire at the car and it explodes, killing Alexi and her "mother". Anna escapes and runs home where she encounters the RCMP officer who has Anna's best friend in handcuffs. Her friend, who apparently is a Russian spy, is taken away and Anna is left alone at home. She is despondent and finds a gun lying on the floor. She takes the gun, goes upstairs and shoots herself (her death is not shown). The film ends.

This film has no nudity and does not show any sex acts.

This **VHS video cassette** was reviewed and found not to fall within the provisions of tariff item 9899.00.00. Its importation into Canada is therefore **acceptable**.

## Summary:

This review was completed with the assistance of a Japanese translator, Sayuri Tsuruta. This is a soft cover, Japanese language manga comic book containing one story of explicit sexual activity between men. The story is presented in a manga style, reading from right to left.

This is the story of a police officer who suffers from PTSD because he has been sexually assaulted while he was investigating a case. The story starts with the officer who is dreaming and screaming “No do not touch me”. In the next scene (real life) the police officer is asked to give his testimony to be able to

prosecute an organised drugs cartel. The police officer is unable to remember anything about what happened the night he found the drug traffickers. As he is being interrogated, the officer vomits and becomes sick. The questioning officers stop the interrogation and help the officer get to a cell room. A man who identifies himself as a doctor tells the interrogating officers that he will continue to treat the officer and will provide an update on any progress. The officer suffering from PTSD is tied to a bed. The doctor walks in the cell with a camera and says: "*it's time for your treatment*" to which the officer does not reply. The doctor videotapes the scene/treatment and says: "*this is the X day I am trying to improve patient memory through exercise therapy*" then engages in sexual explicit activities with the officer (i.e.: anal stimulation& anal sex). The treatment makes the officer have flashbacks of when he was sexually assaulted when two of his fellow officers found him in a warehouse. While having flashback the patient screams and replicates the way he was protesting when he was assaulted. The doctor puts something in his mouth to enable him to make noise. The officer has remembers the scene of the assault. Meanwhile, two investigator officers are discussing the case in the next room. One says he found four different kinds of semen inside the officer (dog, police colleague who is now dead and two suspects) but they do not have matching samples of the suspects in the police database. The chief of police is mad because the suspects shamed a police officer who is a symbol of authority. The chief says that the investigation should not stop. After the "treatment", the nurse notices that the officer escapes from his cell.

**Call:** abuse of power & authority. Patient doctor not ethical. No clear consent  
Flashback of assault.

All genitalia in this comic book have been censored with the use of pixel. The use of pixilation over genitalia weakened the sexual context. If pixilation was not employed in this instance, there would likely be numerous additional indicators of obscenity present.

This comic book has been reviewed and has been found to contain both **depictions and descriptions of sexual assault**. As a result, it has been found to fall within the provisions of tariff item 9899.00.00. Its importation into Canada is therefore prohibited.

### Summary:

This review was completed with the assistance of a Japanese translator, Sayuri Tsuruta. This is a soft cover, Japanese language comic book that contains two stories depicting explicit sexual activities between 2 males (REO & MABU). The comic book is in black and white. The stories are presented in a manga style, reading from right to left. This comic book is intended for purposes of sexual arousal. The direct translation of the Japanese title is “*Beautiful KAPPA 10 Times More Sensitive*”. The translator defined Kappa as a creature that are small in size and yellow-green in colour. On the top of their head they have plates that are filled with water; if the water is spilled, they are said to lose their supernatural powers. While translating, Sayuri, the translator, explained the use of heart symbol ♥ in speech bubble used by characters. The symbol indicates the character’s tone and show they are flirtatious, and/or reacting to something that feels really good. The use of a heart symbol ♥ is often used in this comic book.

This is the story of a gay couple who has the supernatural power to turn into Kappa. The light haired male makes his partner 10 times more sensitive before they both engage in consensual explicit sexual activities (i.e.: anal stimulation sodomy). After the sex act the light haired male, who is now in his Kappa form, wakes up alone in his bed. When his Partner comes in the room he explains that he had gone to the store to purchase water to fill the plates that are on their head.

The second story is about 2 male lovers. One makes pancakes to his lover. They are in love and want talk about having babies.

All genitalia in this comic book have been partly censored with the use of black censor bars. The use of censor bars over genitalia weakened the sexual context.

This **comic book** has been reviewed and found to be admissible. Its importation into Canada is therefore **allowed**.

**Revenge on a Motorcycle Mama** (running time: 00:54:48): Director: Basil Stark. At 00:12:59, two males bring a struggling black female (Joanie) into a room. At 00:13:02, a male has his hand on the Joanie's throat. She pleads "Babe, please don't, please." The male throws Joanie onto the floor. Two females hold Joanie. She struggles. She says "I didn't tell. I didn't tell" at 00:13:36. A male places his hand on Joanie's throat and says at 00:13:43, "You little fink. We're going to give it to you good this time." Joanie says that she didn't tell on Johnny (her boyfriend) as she is his "old lady". The male accuses Joanie of having a fight with Johnny and going to the "cops". At 00:14:44, two males and a female undress Joanie and place her on a table. Joanie manages to get off the table and runs down a hallway. She is followed by a male who is carrying a chain. Joanie is trapped in the hallway with no way of escape. She sees the male with the chain and pleads "Oh man, please. Babe, please don't...don't hurt me". Joanie continues to plead. At 00:16:32, the male drops the chain and punches Joanie in the face. She ends up on the floor. The male grabs Joanie, lifts her up and places her against the wall. The male touches Joanie's left bare breast and places his mouth on her breasts. Joanie screams. At 00:16:53, she says "You hurt me." The male moves Joanie to another wall and roughly removes the rest of her clothing. Joanie tries to push the male away. At 00:17:30, the male lifts Joanie up against the wall and places his face between her legs. He performs cunnilingus.

The male lowers Joanie to the floor. He picks up the chain while opening his jeans. While raising the chain, Joanie touches the male's penis and begins to perform fellatio. The sexual activity does not appear to be consensual as she appears to be threatened. At 00:18:58, the male orders Joanie to "Suck it". At 00:19:42, the male picks Joanie off the floor, turns her around and inserts his penis into her vagina. At 00:20:53, the male is having problems engaging Joanie in intercourse. He slaps her across the face. Joanie says "Don't, don't, oh don't." The male slaps and hits Joanie.

At 00:22:04, the male carries Joanie to a room which is filled with other people. The male touches Joanie's vagina. She screams "Let me go". Joanie is placed on top of a table. A couple of people hold her down as she struggles. One male uses his lit lighter to make Joanie believe that she is going to be burned. The lighter is placed close to Joanie's vagina at 00:22:43. At 00:22:53, another female takes a male's erect penis and places it in Joanie's mouth. She performs fellatio. The male places his hand on the Joanie's breast. Male and female hands caress Joanie's body. At 00:23:16, a female touches Joanie's vagina. At 00:23:26, a female inserts her finger into Joanie's vagina. At 00:24:32, a third female performs cunnilingus on Joanie.

At 00:32:21, Joanie manages to escape with the assistance of another female. At 00:32:59, Joanie is caught by the male who assaulted her earlier on. Joanie struggles while the male laughs. The male has Joanie pinned down. He raises his hand as though to strike her and says at 00:34:06 "Harder or easy baby, whichever way you want it." At 00:34:11, the male starts touching Joanie's breasts. Eventually, the sexual activity appears to have become consensual.

At 00:43:40, another male strikes Joanie numerous times with a belt. Joanie grimaces and appears to be in pain. She screams. The actual striking of Joanie's body is not seen. No calls made for sex with pain.

Eventually, a male (Johnny) enters the room and protects Joanie from any further harm.

### Summary:

This comic book, was detained at the port of entry and sent to the PIU to determine its admissibility into Canada in accordance with *Customs Tariff* item 9899.00.00. The review was completed with the assistance of a Japanese translator, Sayuri Tsuruta. This is a 44 pages (cover pages included) soft cover, Japanese language comic book that contains one story depicting homosexual explicit sexual activities. The comic book is in black and white. The story is presented in a manga style, reading from right to left. This comic book is intended for purposes of sexual arousal. The direct translation of the Japanese book is "APRHODISIAC". While translating, Sayuri, the translator, explained the use of heart symbol ♥ in speech bubble used by characters. The symbol indicates the character's tone and shows they are flirtatious, and/or reacting to something that feels really good. The use of a heart symbol ♥ is used on the last page (last cell) of this comic book.

This is the story of a man, Rengaku, who repeatedly kidnaps another young man, Tanjiro, to engage in explicit sexual activities with him. This time, Tanjiro's wrists are tied to his ankles as he is laying on his back on a bed. Tanjiro pleads Rengaku to let him go. Rengaku agrees to release Tanjiro and let him go home under one condition: he is not to ejaculate or lose consciousness when Rengaku digitally stimulates his penis with an aphrodisiac drug. Tanjiro accepts the challenge. Rengaku puts the aphrodisiac on his hand and digitally stimulates Tanjiro penis and anus before performing anal sex. After a while, Tanjiro gets aroused under the effects of the drug and begs Rengaku to have sex with him. Both men engage in explicit sexual activities (digital stimulation, fellatio, anal penetration).

It is to note that Tanjiro does not want to be kidnapped and does not intend to engage in explicit sexual activities with Rengaku (p.5 bottom left). It appears, by the interaction of both men, that Tanjiro only accepts to engage in explicit sexual activities with Rengaku to be set free. Although Tanjiro appears to consent to the sex while under the influence of the drug/aphrodisiac, this sexual act falls under the definition of sexual assault under the *Customs Tariff* item 9899.00.00 as Tanjiro was “induced to participate in a sexual act without his consent”. While under the influence of the drug/aphrodisiac his consent could not be given because he was impaired by the drug.

This comic book does not depict individuals who are under the age of eighteen years old engaging in explicit sexual activity. This comic book does not constitutes child pornography in accordance with subparagraphs 163.1(a) (i) of the *Criminal Code*.

It is worth noting that all genitalia in this comic book have been partially obscured with the use of black bars. Since these black bars are covering parts of the reproductive organs, they do weaken the sexual context in this comic book.

This **comic book** has been reviewed and found to contain **depictions of sexual assault**. As a result, it has been found to fall within the provisions of *tariff item 9899.00.00*. Its importation into Canada is therefore **prohibited**.

### Summary:

**This DVD was detained at the port of entry and sent to the PIU to determine its admissibility into Canada in accordance with *Customs Tariff item 9899.00.00.***

This is a live action, colour, English language DVD. The main menu lets you select "Play Movie", "Scene Selection", "Gallery", "Trailers" and "Cumshots". In scene one a stepsister and stepbrother have sex. During the film the woman says "dude, you're my stepbrother" and the woman says "you're my stepsister. In scene two a stepbrother (Ritchie) tells his stepsister (Maya) he will tell their dad that she had a party. He agrees to not tell if she has sex with him. She readily agrees. They then have sex. Their relationship is confirmed in their dialogue. In scene three a woman gets stuck under a table. Her stepson helps her extricate herself and has sex with her in the process. He refers to the woman as stepmom. They also have sex in the laundry room.

The last scene features a sexual assault. It starts with a woman (Karly) sitting on a sofa reading a magazine. She calls for her mother but no there is no answer. She goes into the bedroom where her mother is passed out drunk. Karly is disgusted. She returns to the sofa and a man named Brad enters the room. He refers to Karly as "sis". The two then go back to the bedroom and try to wake Karly's mother but to no avail. Karly then goes to cook something and Brad goes back to the bedroom. He finds Karly's mother still passed out. He pulls the sheet off her and finds her completely naked. There is a blue vibrator next to her. Brad uses the vibrator to massage her vulva and inserts it into her vagina. Karly walks in and is shocked.

Karly and Brad then have sex next to Karly's mother. She doesn't stir. At one point Karly says "I can't believe we're doing this in front of my mother". This comment, and his calling Karly "sis" earlier suggests that Brad and Karly are not blood relatives and may be stepbrother and stepsister. However, their true relationship is unclear. While Brad is having sex with Karly Brad uses one hand to fondle Karly's breasts and to insert the vibrator into the mother's vagina. Near the end Karly and Brad orgasm and leave the bedroom. At the very end the mother wakes up. She's surprised and when she sees the vibrator says "what the fuck!?" Brad's sexual activities with Karly's mother are considered to be a sexual assault because the mother was passed out and was unable to consent to Brad's sexual activity with her.

### Summary:

Hillbilly Fuck-O-Rama is a single-sided, live-action, colour, English language DVD with a total combined running time of 03:11:45. The DVD features three movies "Moonshine Girls"; "Daisy Mae, Ozark Virgin" and "Georgia Peach". The movies are intended for the purpose of sexual arousal and have no apparent artistic merit.

**"Daisy Mae, Ozark Virgin"** (running time: 00:56:47): The one screen title is "Daisy Lay" Ozark Virgin?"

During the movie, Daisy Lay (DL) is frustrated that everyone but her is having sex. At 00:29:20, DL is talking to a male (her brother) and a female friend. At 00:29:20, the male says "If you're ever going to learn, might as well be by me." DL replies "You?" The male replies "Yeah, me, why not?" DL says "You're my brother, you can't do it, it's not right." The male replies, "Well its me or you'll never learn." It is clear that the male and DL are depicted as being brother and sister. The ensuing explicit sexual activity between the two is considered to be incestuous.

DL and her brother enter her friend's house. DL sits on the couch and lays back. The brother begins what he calls "foreplay" by running his hands over his sister's bare breasts at 00:30:18. At 00:30:40, the brother licks and sucks his sister's breasts. At 00:32:19, DL strokes her brother's penis. DL performs fellatio at 00:33:53. The two start engaging in vaginal intercourse at 00:34:43. After the brother ejaculates, DL says "Thank you brother."

Shortly afterwards, the brother is confronted by his girlfriend. Eventually, the brother, sister and girlfriend engage in explicit sexual activity. At 00:39:40, the brother rubs his sister's vagina. He starts touching and sucking his sister's breasts at 00:39:59.

**"Moonshine Girls"** (running time 01:15:23): Producer and director – Gary Anthony. The movie depicts males and females engaging in explicit sexual activity. No calls made.

**"Georgia Peach"** (running time: 00:59:35): A female arrives in town by hitching a ride on a train. While walking in town, she is picked up by two males who claim to know movie stars. The female is somewhat naïve. At 00:07:40, the female is brought into a building. She is struggling with one of the males. The male is heard saying "I'm going to show you a piece of Hollywood." The female is thrown down on a mattress. At 00:07:47 the male says "Shut up bitch." At 00:07:57, the male says "Let me get those pants off." The female is heard saying "No". The female struggles and the male undresses her. At one point, the male threatens to "Rip her head off". At 00:09:02, the male is seen touching the female's right breast. As the sexual touching is non-consensual, it constitutes sexual assault. Though the room is not well lit, it appears that the male is performing cunnilingus. At 00:10:25, the female is performing fellatio. At 00:11:51, the female is heard saying "Fuck me, fuck me". At this point, it appears that the sexual activity has become consensual.

This **DVD** has been reviewed and has been found to contain depictions of **incest** and **sexual assault**. As a result, it has been found to fall within the provisions of tariff item 9899.00.00. Its importation into Canada is therefore **prohibited**.

Rengoku on the other hand has the same recollections but does not remember the strong love he used to share with Janjiro. One day, they meet at Rengoku’s apartment and discuss the dreams that Rengoku has. Janjiro explains the dreams and the relationship they used to have in their previous lives. All becomes clear to Rengoku. They both engage in consensual anal penetration.

There are no indicators (body development /school level, etc.) to determine that Janjiro is under the age of 18 years old. This comic book does not depict individuals who are under the age of eighteen years old engaging in explicit sexual activity. This comic book does not constitute child pornography in accordance with subparagraphs 163.1(a) (i) of the *Criminal Code*.

It is worth noting that all genitalia in this comic book have been partially obscured with the use of black bars. Since these black bars are covering parts of the reproductive organs, they do weaken the sexual context in this comic book.

This **comic book** was reviewed and found not to fall within the provisions of tariff item 9899.00.00. Its importation into Canada is therefore **acceptable**

What do you have in..." The teacher replies "I have an idea" as he places his left hand on the female's right bare breast. The female asks "Like what?". The teacher says "Why don't you let me just figure it out. What do you say?" The female replies "I mean, I never done nothing like this before." The album describes and extols the skinhead lifestyle. Its lyrics are anti-establishment; for example, they are highly critical of Margaret Thatcher and her government (they refer to her as “the stupid old bitch”). They are English nationalists (see “Rose of England”) and talk about going to football games and causing bedlam. Violence is another theme (see for example “Violence in our Minds”). Taken as a whole this album is not hateful and contains no hate propaganda indicators.

This **Record** was reviewed and found not to fall within the provisions of tariff item 9899.00.00. Its importation into Canada is therefore **acceptable**.

One day they will get you from behind  
Empty your pockets see you out of your mind  
You think it's funny when they ask for more  
You'll be sorry you never freed them before  
All the kids stand on the streets  
Holes in the shoes on their feet  
Those skinny kids got nothing to eat  
But some day you'll free em oh yeah  
Your blind to what goes on today  
All the poverty's on display  
You won't see 'cos your so far away  
Until soon they'll be knocking on your door  
All the kids will rule the streets  
Making our plans for us to meet  
We will fight 'til the end  
For our right to our country me

**SKINHEADS IN STAPRESS**

Run amoke and have a fight  
Get pissed up cause a riot  
Smash windows and burn beach huts  
Tell the government to stuff the cuts

(Chorus)

Cut the taxes one by one  
Cut them 'til the job is done  
Show them how to be a pest.  
Show them how to be a pest  
Be a skinhead in Sta-Press  
They got more money then I got sense  
They're just after your last few pence  
Shine up your boots pour a pint  
Let's go protest tonight  
The old bill try to take us down  
Bring us before The Crown  
Lock us up when we have fights  
Keep us off the street at night

#### REBELS WITH A CAUSE

Another day another night  
Another drink another fight  
Its a shame we get the blame  
Always wrong and never right  
We're the new generation  
Searching for an explanation  
Football matches and Rock n Roll  
Makes us a little out of control  
We're rebels with a cause  
We're rebels with a cause  
We ain't simple, we ain't fools  
We're rebels with a cause  
On the streets it's still the same  
Another dawn, another day  
They want homes to call their own  
The rules are different, the games the same  
People don't understand me  
'Cause i play in a rock & roll band  
It's the only way i can make a stand  
We run in different games  
But we all feel just the same  
You know our name and you know our name  
You know our name and you know our name  
Born to win, born to lose  
The right is ours which way we choose

It don't matter what clothes you wear  
It's how you feel that makes you real

### KING OF THE JUNGLE

He watches the other beasts  
Quiet and dignified  
Claws like flickknives  
He don't have to hide  
Waiting until the time is right  
Pouncing like a thief in the night  
But they keep on coming through the jungle track  
When they feel the power on the hour  
Wish they had turned back  
The air is fill with a mighty roar  
They stand there as always as before  
The warrior's strong, the warrior's proud  
The warrior stands at the edge of the crowd  
The warrior's brave, the warrior's cool  
Even when he's got his back against the wall  
He's the king of the jungle  
They stand by each other like a brother  
Like a lions pride  
They won't turn away or stray  
To the other side  
Even though they're few and far between  
They'll stand by you no matter where you've been

### WE RULE OK

The government policies are out of hand  
They ain't got a clue how to run this land  
Margaret Thatcher the stupid old bitch  
Takes from the poor and gives to the rich  
She thinks we can't see her plan  
To kill the spirit of the working class man  
Make us redundant, put us on the dole  
Put us in prisons without parole  
They're a bunch of stuck up snobs  
They think kids are mindless yobs  
But we'll stop them in the end  
And they'll find out who are their friends  
Maggies boys don't give a shit  
If you ain't a Tory then your face don't fit

You can't get nothing for your pound  
These days you have to shop around  
Be a rebel with a cause  
Fight against the stupid laws  
Stop ol' maggie once and for all  
Cos on the streets its us who rule

### CHANGING

Smashing everything up in sight  
Making old ladies die with fright  
Wait until we reach our height  
Cos they bow down before us  
Skinhead running along the street  
Looking evil looking hard  
Causing mayhem wherever we go  
Just for a laugh we let you know who rules  
We're not gonna be dragged down  
In your sea of new fashions  
We will last, we will stay  
We will never change our ways  
All the punks and romantics  
Will soon make a change  
They will always follow the times  
We will keep our ways

### SIDE B:

LIONHEART  
Instrumental

ROSE OF ENGLAND  
I was feeling really sad  
Life was looking really bad  
Then you came onto the scene  
Crimson Rose so serene  
English rose will never die  
English rose will always stand  
Why we'll fight for English land  
Where you come from we don't care  
We're just glad that you are there  
English rose is sweet and strong  
To this country you belong

### VIOLENCE IN OUR MINDS

I was walking down the road with a dozen pals of mine  
Looking for some aggro, just to pass the time  
We met this stupid hippy and he tried to run away  
But i punched him in the nose just to pass the time of day

[Chorus]

Great big boots, great long laces  
Our jeans held up with scarlet braces  
Get out of our way or get took for a ride  
We've just got violence in our minds  
Wake up in the morning, have me ready brek  
Drink me cup of Bovril and wring my mothers neck  
Strollinto town, beat a Soul Boy black and blue  
Put a fruit gum in the meter cos there's fuck all else to do  
[Chorus]  
We go to football matches, we always have a laugh  
Always get some bovver in, before the second half  
We have our selves a smashing time, we really have some fun  
Especially when the odds are ours 25 to 1, to 1

### RESORT BOOT BOYS

We wake up a 10 o'clock  
Put your boots on and go round the block  
We have a few beers and we joke around  
We make our way to the football ground  
We hate all the junkies, we hate all the grease  
We're only here to disturb the peace  
Wear Dr. Martens and wear levi's  
We are the resort bootboys  
We know its gonna be a hell of a game  
One - nil down its always the same  
But we don't really give a fuck  
Believe it or not, we're here for the ruck  
After the game we count all the scarves  
We jum all over some geezers car  
We lost the game but we won the fight  
I hope its on the box tonight

## RED WHITE AND BLUE

All that's true is the red, white, & Blue  
England, England is my land  
It's the only life I understand  
From Carlisle down to the Dover Straights  
Our forefathers made us great  
You took us in Europe, it wasn't our choice  
We the people must have our voice  
No other flag will hold us back  
Cos our flag is the Union Jack  
Call us hooligans, call us yobs  
In the war it's us who do the job  
No other country will make us slaves  
Britannia will rule the waves
